I requested a withdrawal of the accusation of murder against Mouka Emmanuel at Umunede high court through Barr.Agholor and Barr.F.O. Isichie to the accusers on the basis of me, Mouka Emmanuel, being unaware of the claim of murder with supporting evidence in documents "facts and evidences v3" and others. Barr.Agholor says they are willing to withdraw and are requesting remuneration of legal and other fees spent amounting to 5 million naira. I can provide the requested amount towards the withdrawal action.

I have asked my Lawyers to engage Barr.Agholor, Barr.Isichie, Police, and other related persons with both my defense and the withdrawal expectation. I am trusting speedy resolution of this matter and closure of this wrong accusation. I experienced continued robbery and assassination attempts which were reported to the police on February 12, 2022, and continued armed attacks before the April 19, 2022, incident. I appreciate the recognition of me being a victim by persons involved and the willingness to withdraw the accusation.

Thank you for your kind consideration of my request for withdrawal of the accusation against me.

Mouka Emmanuel
