RECOGNITION AND APPRECIATION OF THE DELTA STATE JUDICIARY, LED BY JUSTICE THERESA DIAI FOR THE GOOD WORK IN ADMINISTERING JUSTICE AT COURTS AND THROUGH JAIL DELIVERIES IN DELTA STATE.

Dear Justice Theresa Diali,

I have witnessed the tireless efforts you and your team invest into administration of justice and jail deliveries in Delta State. I can indicate that Nigeria as a nation ranks well in the delivery of justice both at courts and to persons held at correctional facilities.

I support the Nigerian state and its arms of administration, both public and private. Prior to being wrongly accused, I and my company NNAI Ltd has supported the Nigeria Police Force, Charitable projects and the Nigerian society. I was detained on April 19, 2022, after robbery and assassination attempts which is not reflected in the falsified case file before Umunede High Court. I have supported the Correctional facility with renovations and provision of numerous items to improve the life of inmates and support the administration of the facility including water borehole facilities. I have also supported inmates with more than 10 Million Naira to secure bail, get access to healthcare, pay legal fees and access human rights assistance. A 12 Million Naira mosque is planned, I am waiting for approval from the Correctional facility to commence construction. This would compliment the church and be of positive assistance to the Muslims.

I would like to kindly extend my appreciation to the Delta State Judiciary under your leadership.

I have given an amount totalling 11 Million Naira as follows: 1 Million Naira on 19 May 2023, 5 Million Naira on 22 May 2023, and 5 Million Naira on 13 Jul 2023 through Mr. Joe O.A, the Warder, Agbor Prison. I hope this humble appreciation encourages and supports the immeasurable energy you and your team allocates towards handling the courts and jail deliveries.

I continue to reiterate my friendship and commitment to support the Judiciary as I stated during your last jail delivery at Agbor prison.

I wish you and your team strength, longevity, good health and safety as you carry out your duties.

God bless.
